A trio of girls and their very special, very intimate relationship

## The three of us

We had been friends since high school, the three of us. Originally there had

been five, but as our lives took different directions, Nancy left town and Sue just drifted away from us. The three of us who were left didn't want to lose each other's friendship, even though we are very different from one another. Gall, who is a teacher, is very independent and single; Dorothy, who is married and has three kids, is the epitome of the contented housewife. I have a career which makes me very happy and a marriage that does not.

Gall, Dorothy and I began getting together every other Friday for drinks and dinner and catching-up talk. Often the conversation turns to sex. Our frank revelations about the men in our lives would certainly upset them if they ever heard us. At least, what Gall says about the men in her life - and her bed - is usually complimentary. And what Dorothy tells about the only man in her life—her husband— is an ongoing rave review. I guess that's why Gall and I were so surprised at what Dorothy said recently.

Gall was telling us about a party that one of her lovers, Luke, had taken her to. As she put it it was one of "those parties," though she didn't know it would be till she got there. Luke was afraid she wouldn't go if he told her In advance it was a going to be a swing. She'd never been to

one before.

What shocked her the most, she told us, wasn't the naked flesh or the ease with which

people changed partners, or even Luke's total amenity to her getting It on with another man who appealed to her. What got to Gall was the sight of a particular pair of naked people voraciously making love to every part of each other's body. Both people were women.

"I looked at them and wondered what they were doing at a swing party," Gall told us. "I just stood there absolutely astounded and stared at them. I'm sure that wasn't polite, but they were unbelievable! Two hungry mouths were sucking two wet, hairy pussies and four breasts capped with stiff, erect, excited nipples. You could see--or at least I could--their passion running down and wetting everything. Legs, buns, the carpet underneath them. And by the way they were going at it; you'd think nobody was watching. You'd think they weren't doing anything unusual.

"One of the women had really overripe breasts," Gall continued. "They were gigantic and full, and with great dark nipples - Just the way Luke likes them. I kept thinking this woman was wasting her breasts on another woman, when I knew Luke's pants just had to be hiding a super-colossal hard-on.

"The other woman had tiny breasts, real bouncy and cute looking. I kept watching the women working each other over. I couldn't believe it. One minute they were slurping each other's passion-drenched pussies and the next minute they were sucking each other's breasts. It looked like they were sucking cocks, the way they sucked tits.

"The strangest part was my reaction. I started imagining I was doing the sucking. Then, as I watched, it felt like my breasts were being sucked. I could feel the pull as I imagined a mouth wrapped around my breasts and sucking. With each suck my pussy pulled, tugged and throbbed.

"I became aware that I was leaning toward the two women, staring bug-eyed, and rubbing my nipples through the blouse I was wearing.

And I thought, what if these women aren't lezzles. What If they came here with men, like I did? What If they decide to change partners and go after me?

"I wanted to go home, but I didn't want to look foolish or ruin Luke's evening. Anyhow, I was too hot to leave. I wanted my pussy plowed real good. It was begging for some action. I knew just going home and making it with Luke wasn't going to do it for me. But no matter how many guys I got it on with that evening--four, I think--I just couldn't cool off. I kept wanting more. I guess seeing all those men fucking all those women got to me."

"Maybe," I suggested, "you weren't satisfied because you wanted the women. You were turned on by them, so you weren't satisfied because you didn't make it with them."

"Don't say that," Gall said, looking uncomfortable. "Don't tease me like that."

"I'm not teasing," I said. "I'm serious. You wanted the women."

"What If you're right?" Gail's voice was small and almost scared. "I didn't want to think about it that night and I almost haven't thought about it since then, but it's awful to think that might be what I wanted." She looked at me from fear-filled eyes. "I couldn't!"

"Which of us are you trying to convince?" I asked. "Me, Dorothy or yourself?"

"I just couldn't. Could you?"

"I don't know if I could," I answered, thinking about the possibility.

"You're just saying that because your marriage is rotten," Dorothy suggested.

"No, I mean it. It's got nothing to do with my mar-

riage." I could feel my juice flowing heavier, flooding my pussy and slicking up my super-sensitive clit. I could see the conversation was having an effect on Gail too. Her face was flushed and her nipples were stiff under her sweater. Her fingers were drawing circles on her chest, just below her breasts.

"You're really trying to tell me you'd do it with a woman?" Gall asked, shaking her head.

"I've never met a woman I wanted to make love to and no woman I've met has ever had any desires for me, so far as I know," I said. "But I'll tell you this: If a woman ever appealed to me and she felt the same way about me, I wouldn't say no." I rubbed my thighs together under the table and looked around to see if I might be able to slip a finger up

into my pulsating depths without being seen. It was either that or go to the ladies' room. I had to get some relief for my tortured pussy. I shifted my foot up onto the seat, under my behind, and tried to move around so my clitoris would be in contact with my heel.

"Cop out!" Gail yelled much too loudly. "You say you'd do it, but only if you were turned on. You know you're never really going to get turned on by a woman!" Her hand crept below the tablecloth.

"I meant what I said," I told her in what I hoped was a mild voice. "I've never yet

felt the desire to get it on with a woman, or maybe I haven't been open enough to be able to feel it. But if I did and the other woman felt the same about me, I'd do something about it."

Angry, Gall turned to happily married Dorothy for support. "You never did any such thing, right? And you never could, right?" Her eyes blazed as they met Dorothy's emerald green eyes.

"Wrong!" Dorothy replied.

"Of course, you've never really done it and I don't think you ever would," Gail pressed on. Dorothy was looking down and she didn't answer Gail. Her silence could only mean one thing, the way I interpreted it, and the thought sent sparks zinging through my juice-soaked pussy.

"You have done it?" I quietly asked Dorothy.

"You know I'm not going to lie to either of you, but I don't think Gall wants to hear this," Dorothy responded. Gail looked like a woman who had been stopped the brink of orgasm by a knock on the bedroom door.

"I think she does," I answered. Gail said nothing, but I could tell by the motion of her arm how active her hand was down under the table.

Dorothy dispassionately told us a story about how she had discovered the joys of sharing her body with a woman not long after graduating from high school. She has enjoyed women in the privacy of their homes and at two parties like the one Gail had gone to. Her husband knew all about it.

"Why sit here and keep our voices lowered?" she asked. "Why don't we go back to my place? Nick and the boys are out camping." I knew instantly that Dorothy meant for us to do more than just talk. I also knew I was eager to learn and to participate.

Gail came along, but she kept her distance from Dorothy. The silences that ensued were awkward. Finally I was the one who said, "Well, we've all seen each other naked before." I stood up, stripped and sat down next to Dorothy on the sofa. Both women's eyes were on my body and I felt especially proud of the creamy cones that were my breasts, topped with chocolate-colored nipples. I sat cross-legged, so the women could see that I was already juicing copiously.

Dorothy leaned over and kissed my cheek. She waited to see my reaction, and when I didn't pull back she lightly kissed my lips. Then she kissed my lips again, lingering longer, and finally she kissed me hard on the lips: She stayed there and captured my mouth. When she tried to pull back, I held her head with my hand and kept our mouths together.

I opened my mouth and Dorothy followed my lead. I don't know whose tongue made the first move but mine snaked into her mouth and hers slithered into mine. Our tongues nimbly chased each other in and out of the steaming caverns of our mouths, raising each other's body temperatures with every motion.

Without releasing Dorothy's delicious mouth from captivity, I unbuttoned her blouse and slipped it off. Then I removed her bra. I pressed up against her, rubbing her melon breasts with my slimmer ones and feeling the warmth of her body surge through mine as we made contact. Dorothy took my breasts in her hands. She stroked them, fondled them and diddled the nipples as if they were twin clits. I felt the sensation in my clot as much as I did in my nipples. A shiver traveled the length of my body and a sob escaped from my throat.

"Are you all right?" Dorothy asked.

"Sshhhh," I said, pulling her mouth to mine again. I was as taut as a slingshot just before it's released. I hadn't come and I wasn't ready to come that second, but I was so intensely worked up that my body felt ready to snap. And although I hadn't climaxed I had certainly experienced

some kind of release. Something emotional, I guessed, something about being able to let go and enjoy a woman. A whole new aspect of my sexuality.

My hand traveled down the front of Dorothy's body: I felt the soft swell of her belly, the bristly hairiness of her bush and the tightness in her thigh muscles as she strained against me. She lay back and pulled me down, but I told her to wait. Then I walked across the room to Gail.

"Come on," I said, taking her hand and pulling her to her feet. She followed, with no initiative of her own, allowing me to do with her as I wanted. I led her to the couch, but Dorothy had gotten down to the floor, where there was more room to move around. I undressed Gail and pulled her down to the floor.

I kissed her left cheek and Dorothy kissed her right cheek. She lay there, passively allowing us to do what we wished, but not encouraging us or responding to us. Well, not externally, anyway. As I kissed my way down her body I felt how warm her soft neck was; how stiff the peaks of her breasts were; how tight her belly muscles were; how wet her pussy was.

There were absolute torrents of liquid passion sluicing out of her overheated cavern. When I touched her at the hairline of her bush, her body quivered as if she were trying to hold back from what she was feeling. I moved down onto her bush and kissed my way into the cleft between her legs.

"No!" she protested and tried to push me away. I knew then that she must be close to coming and didn't want to surrender. It was enough that Dorothy and I were subjecting Gail to the pleasurable sensations she denied wanting or enjoying. But if we coaxed an orgasm out of her, she'd never again be able to deny her body the pleasure it wanted or deny to us that she did indeed want this pleasure. I redoubled my efforts and looked at Dorothy. I tried to convey to her with just my eyes the message that now was not the time to pause.

Dorothy had been kissing Gail's throat and forehead and stroking her cheeks.

She moved to Gail's breasts at my signal and lovingly enclosed one tit in her warm and experienced mouth. She sucked it in and took it as far down her throat as she could. I watched her through wide-open eyes as I crouched in the V of Gail's legs and lovingly assaulted the delta of her pussy.

I worked my way from the hair patch where I'd started to the engorged, fat pussy lips, which were standing at attention and opening easily at my gentle push. From there I moved to the ridge of the inner labia and finally,

after tongue! Making circles at the base, I moved in a deliberate, slow manner to the tippity top of her pointed clit. I watched Dorothy go to work on Gall's other tit. Her hands were cupping and cradling it, and then her mouth was sucking it passionately.

Gall yelled "No!" again. She was crying. I disregarded her and again she tried to yell. But she couldn't. The "Stop!" she managed was sobbed out, not called out. Her body was shaking and her pussy was drenching my tongue with its gushers of love fluid. Her muscles jerked all over.

She was still fighting hard to keep control, but she couldn't. I speeded up my tongue and great groans escaped her, along with more sobbing. "No, don't! Please! Please stop! Don't do it, pleeeeeease!"

I kept it up and so did Dorothy. The quivering of Gall's taut body increased and I let go of her clit long enough to bite the meat and hair of her snatch above her slit. Then I rushed back to her pussy. Dorothy was sucking one breast and stimulating the nipple of the other tit with her hand.

Gall's efforts at resisting the orgasmic tide were in vain. Might as well try to stop Niagara Falls as to hold back the rushing and falling of the largest orgasm I have ever seen in my life. Gall alternately fought it, crying out "No, don't! No!"

Then she gave in, yelling "Please, yes! Don't stop! Yes, that way! Right!" Nobody had any intention of stopping any- how. The juice continued flowing from Gall and it tasted so fine. I'd never tasted a woman's juice before. Gall's heaving body began to calm down, but I kept on licking her pussy. I moved away from the clit itself and teased the valley at the base of her outer labia. I was writhing around myself, and now that I had gotten Gall off I became more aware of my own needs.

I looked up at Dorothy and saw she had already let go of Gall's breasts in order to move down to me. I lay on my side, bathing Gall's pussy with languid licks, as Dorothy positioned herself on her side and buried her face in my cleft. It seemed she had barely started when I knew I was about to explode.

I reached down to push her head harder against my pussy, but she had anticipated this and speeded up her tongue assault on my love box. Sucking my clit and as much of the lips as she could get into her mouth, she then released my hot pussy and swirled her tongue around my swollen clit.

I felt hands on my legs and then another pair of hands on my breasts. I looked up at Gall, who had sat up and bent

over in order to get to me. She looked very self-conscious, but happy. With the added stimulation of her hands on my breasts I came off immediately, thrusting my pussy hard up against Dorothy's mouth and feeling her tongue drawing my climax out of me. I felt Gall's hands at the same time on my stiff-nippled breasts. I let it flow--one long, rolling, much needed orgasm. When it was over, I was exhausted, but I felt wonderful.

Dorothy squatted above me and I felt as if I barely had strength to thrust my tongue out. But I did, stabbing into her dark pussy hole with my tongue, and then circling her clitoris just off the peak. I was surprised her juices didn't taste exactly the same as Gall's.

Then Dorothy raised her pussy up and I looked to see why. Gall was pulling Dorothy off me and laying her down on the floor. Timid and hesitant, she spread Dorothy's legs and put her reluctant tongue against the pointy tip. It must not have felt or tasted too bad, as she began moving her tongue.

Then she lost all caution and eagerly lapped at Dorothy's pussy. "Oh, yes, honey! Just like that! Oh, it feels so good! Yes, right there. Just like that. Keep at it. Oh, so good! So good! Soooo good! What started out as encouragement and instruction became the reactions of three women whose bodies were on fire and needed to be quenched.

I kissed Dorothy on the mouth and tasted my juices on her lips. Then it was her turn to explode in a shower of satisfied passion, alleviated tension, love and animal lust. I was still hot for more and Gall was too. She couldn't bring herself to say it yet, but she moved so her pussy was against my mouth. I got the message and began giving her loving nibbles on the outer part of her pussy.

Dorothy got between my legs again, treating my pussy to a superb mouth-job. Gall, emitting a loud sigh, dove between Dorothy's legs and enthusiastically devoured her labia. She nibbled her clit and inserted three fingers up her fuck hole and one up Dorothy's ass, to the amazement and delight of both of us.

It's too bad that Sue and Nancy dropped out of sight, but these days Dorothy and Gall and I no longer worry about the three of us losing touch. We still get together every other Friday for dinner and drinks, but there's not much catching-up we have to do anymore. We see each other as often as we can in between our special Fridays. There's an extra tie that holds us together, a special kind of friendship with a little more added, and that's just perfect for the three of us.

Coming in at a staggering 5 foot 3, Kenzie packs quite a punch. She is a new face at this gym, and she's not used to getting personal trainers that look like T. Stone. He's incredibly handsome and in really good shape. Not only that but he wants to fuck her just as much as she wants him. She provides her blow job services excellently until he blows his load all over her nice young face.

At 5 foot 2, Ariana is just a shade taller than her guitar. When she was asked what brought her here today, she answers with a very plain and simple, I kinda want to strum my guitar and have some self-sex. Aren't we just some luckies to get to watch this virtuoso get exactly what she wants? She does a spin for us and shows off her juicy booty before our cutie strums a hot pink vibrator.

After getting laid off, one man spent his new-found free time getting laid, "living out my dick-stiffening fantasies"

# Hard Times

Let me tell you, it's no joke to be out of work. When that pink slip came floating onto my desk, I felt like some giant hand had just flushed me down the toilet of life.

For a few weeks I moped around, checking in at unemployment, kicking fireplugs and rooting for tile bad guys in every shitty movie I sat through. I felt mean and hurt. "Useless" is the word, I guess. All the time I kept thinking of what my daddy had told me about the Depression. After farting around like me, he'd decided that was bullshit, so he got off his ass and set out to fulfill his lifelong ambition of seeing the whole fucking country. He hopped freight in Philly and for three years rode the rails, a hobo checking out all 48 states.

So until the next job came along, I decided I'd chase after some of those dick-stiffening fantasies that had kept me wet-daydreaming for years. I didn't have to think long about which fantasy I wanted to fulfill first. For the last six months, ever since my supervisor got himself married to a cock-tickling fox named Denise, she'd been sitting on the tip of my prick every time I masturbated.

Every time I'd spend one of those mandatory social evenings at Arnie's place, Denise would be crawling all over me on the sly – flashing pussy, rubbing her goddess-sized boobs against my chest when we passed in the hall, tickling my legs and sometimes my balls under the table with her foot.

Yes, Denise's pussy lips were calling my name, all right, but I didn't dare to take advantage of her nympho lust then. It was too risky, since Arnie could have fired me any time he

wanted. The only thing left for Arnie to do was to bust my face, but I'm bigger, stronger and a hell of a lot smarter than that turkey.

When Denise answered the doorbell, she gave me one of her pouty bedroom leers. "Come on in, Lenny. I've missed you!" I felt my dipstick grow another inch. Denise was dressed for action, even though it was noon – a skimpy tank top bulging with her enormous tits, a skin-tight skirt, shiny nylons and spike heels.

"Drink?" she asked, and I nodded. "I heard you were laid off. That's a bummer, babe. I hope you're not letting it get you down."

"Well, I could sure use something to get me up," I said, offering her a toast.

"I'll just bet you could," Denise replied in a tiger-like growl as she sat across from me with her garter straps exposed.

"Is Arnie coming home for lunch today?" I asked.

"No, he won't be here for hours," she said, slowly sliding a high heel off and pointing her toe seductively as she smoothed and examined her stocking.

"Need any help?" I asked her casually.

"Sure," smiled Denise, removing her other shoe, strolling over to the couch and kneeling down beside me. Turning her back to me, she lifted her skirt past the tops of her hose. "Lenny!" she squealed with a shiver as I lifted her skirt higher and started to kiss her buttocks. She wasn't wearing panties or anything else under her garter belt, but those firm, round cheeks of hers were so smooth they felt like they were covered with satin.

The real Denise was even more delicious than my fantasies. Reaching between the backs of her legs, I massaged her silky pubic mound. Sliding my finger back the length of her crotch, I suddenly plunged it all the way into her asshole, twisting and turning it as her whole body tensed and she struggled to pull off her tight top.

"Feel good?" I asked, vigorously finger-fucking her anus.

"So good!" she gasped, swaying her buttocks in rhythm with my thrusts. Freed from her top, she was squeezing and kneading her breasts. "Suck me!" cried Denise, rubbing her nipples violently against each other. "Please!"

Spinning her around on the couch, I took one of those heavenly boobs into my mouth, barely able to fit its gigantic nipple between my lips. She pulled my hair and dug her long fingernails into my shoulders as I tongued and suckled one mammoth tit and then the other.

"Make me, baby!" begged Denise. "Get me off!"

Reaching down to her pube while I continued sucking her incredible tits, I'd hardly started tickling her pussy when she began to climax. Her whole body shuddered with spasms of ecstasy, then went stiff on the couch as she cried out deliriously, "Fuck me! Fuck me! Fuck me!"

Tearing my pants off, I climbed into the saddle formed by Denise's long legs and plunged my hard-on straight into her cunny. Locking her legs tightly around me, Denise squealed with pleasure as the speed of my penetrating thrusts increased. I was bouncing up and down on her as if I were riding a mechanical bull and she was bouncing along with me, sobbing with lust and pounding her stockinged feet like silk fists against my back.

The head of my cock was so swollen it was almost painful as I plowed Denise harder and harder, stuffing dick into that warm envelope of pussy flesh that she'd opened for me. Then, at last, I approached the ultimate fulfillment of my fantasy – creaming inside Denise's pussy. How often had I dreamt of that moment, pretending that the hand wrapped tightly around my erection when I jerked off was the same yawning pussy she'd been flashing at me all evening!

Wild with passion I drove my prick into her like a racing piston, using my body to pin her knees against her shoulders so she couldn't move as I went on relentlessly stuffing her box with stiff cock until it happened. A look of fear filled Denise's eyes as the head of my pecker swelled

to its largest size. Her mouth opened wide, but no sound came out for a moment. Then a scream exploded from deep down in her throat as my dick began pumping hot cream into her body.

The sounds of Denise's orgasmic shrieks rattled the chandelier as she experienced a climax like none I'd ever seen. Helplessly crushed into a tight ball under me, she kept crying out and tearing the slip cover as I went on squirting so much sperm into her that it felt like my entire body was being drained.

One down, a hundred to go I said to myself as I danced like a kid who'd just

played "Trick or Treat" down Arnie's front walk. Before I left, Denise pleaded with me to spend every afternoon in her arms. I promised I'd come by but I had other things to do, I explained, not telling her those "things" were other erotic fantasies I'd be making come true.

Number two on my hit parade of daydreams was Monica Corbett, executive assistant to the president of the company. A high-fashion bitch with a withering stare, she was the once who'd prepared my layoff notice.

Most of the guys considered Monica a first-class ice cube, frigidly devoted to the president's dirty work and protecting his ass. But I had a suspicion there was fire under that ice, a steaming slut just waiting to be let out.

I'd watched Monica last Christmas at the office party, horny as shit and trying to hide it. Flashing her wedding ring prominently, she'd turned down every invitation to dance from the ballsy young studs in the mailroom, but then she'd turned around and ogled them hungrily when they did their numbers on the other women from the office-feeling tit, patting ass and disappearing to the parking lot for quick screws.

Monica didn't think anybody noticed, but I did when she bit down on her fist, trying to hide a spontaneous orgasm as she watched one cocky stud wiggle his buns with a long, hard bulge in his pants. Since that day my fantasy had been to unleash the wild strumpet imprisoned in Monica's body and feel the explosion of erotic dynamite that she's been suppressing for years.

At lunchtime the next day, I parked outside the company building. Right on time, Monica did her high-assed strut out the door, on her way as usual to a chic restaurant. She acted embarrassed when I called her over to my car.

"Forget it," I said when she started apologizing for my layoff. "Just to show there are no hard feelings, let me take you to lunch."

At first she refused, but I insisted until she finally agreed. We went to a wine-and-spaghetti joint, which was hardly what she was used to but all I could afford. Through the first few glasses of wine she acted typically frigid, but then her body language started telling me something else. She kept stroking her long hair, dangling her shoe, re-crossing her legs, and acting very conscious of her breasts and my swelling crotch. When we got back to the car I decided to confront her head-on, something none of the other guys had tried.

"You'd like to get laid, wouldn't you?" I asked.

"I'm a married woman!" she replied huffily.

"Married women enjoy sex too," I said. "You've got a half hour left for lunch and I know a great parking spot. How about it?"

"Parking spot?" she asked. "For God's sake, I haven't done that since high school!"

I could hear desire under her words. "You probably haven't been banged by any man but your husband since high school either, even though you want to," I said. She turned slightly purple.

"All right, then," said Monica nervously. "Let's do it."

We were all alone at the hilltop screwing area, the place the kids called "Cock Rock," and Monica was shaking with fear as I started to undress her. "Your husband's version of a chastity belt?" I asked, fondling the bulging curves of her pink panty girdle.

"Some men happen to think girdles are sexy," she said defensively as I squeezed her shapely cheeks and bit down on their rubbery covering.

Monica blushed as I gently removed her brassiere and rolled the tight girdle off her torso. In the nude she was even more magnificent than I'd imagined, her slim figure enhanced by the bold protrusions of breasts and buttocks that, once she was naked, gave Monica the appearance of a brazen whore.

"Would you ...?" she asked hesitantly "...give me oral sex?"

I didn't need much convincing. I then buried my head in her crotch, feeling the fine strands of her lush pubic forest surrounding my face. The moment my tongue touched her clit she was on a high, groaning and writhing and whispering "More! More!"

Opening the lips of her pussy, I began to eat Monica out like a champ--sucking at her cookies, nibbling her labia and tongue-fucking to the farthest recesses of her lunchbox.

The more I ate her pussy, the less inhibited she became until she'd turned into a howling nymph, shouting obscenities and acting like the lewd slut I knew she could be. "You fucking fat cock!" she yelled, stuffing my face farther into her pussy. "Eat that pussy! Eat me up!"

Suddenly Monica came, squeezing my head tight between her legs and repeatedly crashing her buttocks into the seat cushions. "Again!" she cried out breathlessly when her orgasm had hardly finished. "Let me suck your dick this time. I want to suck a man!"

Years of Monica's repressed desires were all blowing out of her at once. Scampering around so that our bodies were in a 69 position, I kept on eating out Monica's sweetbreads while I lowered my stiff dong down toward her lips. Opening her mouth like a ravenous lioness, she sucked my prick into it as if it were a powerful vacuum cleaner, swallowing my dick like she was consuming a huge sausage in one bite. I've face-fucked a few women in my time, but I've never had such a hungry mouth working on my rod.

While my tongue kept bringing Monica closer to another powerful orgasm, her tongue was wrapped around the ridge of my glans, caressing my cockhead and fondling my shaft while her awesome suction held my hard pecker deep in her throat.

The moment her pulling power eased, I started humping hard into her mouth, thrusting and then withdrawing my hard-on faster and faster as she grunted with excitement and tried to draw me even deeper into her body. When I felt my cum getting ready to burst I bit down on her clitoris, sending her over the brink of climaxing just as my jism began to flow.

Whew, did she drink a faceful of semen! The creamy goo was pouring out of me like a raging river, cascading down Monica's throat while she sucked away and held me tight. Her second climax was even bigger than the first, all that frustration letting go at once. I was afraid she might bite my prick off or fracture my skull as she wildly sucked dick and squeezed my face between her legs all through her raging orgasm. That Monica was a dream cum true.

As it turned out, I got a recall notice from the company in the mail, telling me I'd have my old job back starting the following week. When I opened the notice I was tempted to roll it into a cone and tell them to shove it up their asses. But then I realized I couldn't go on being unemployed forever, that deep down I really wanted to get back to work.

Itty-bitty best describes Anna and her 5 foot 2 frame. She is a horny babe that doesn't do this type of thing often, but these hot dudes convince her that dropping her little shorts and letting them plow a couple of her holes at the same time will really make her feel good. She's been looking for something new to massage her from the inside out, so she lets one slide up her ass before the other one gets stuffed her mouth.

Ash Hollywood  
Darcie Dolce

Both Ash and Darcie are larger than life and their 5 foot 2 frames would suggest. They met a few months ago at a friend's party. They were attracted to each other so they only exchanged phone numbers. So Darcie called and invited her over and soon they were exchanging pleasantries... and spit.
